

# COMPOSITE DECK SPOT REMOVER

BIODEGRADABLE

EDGEWATER INDUSTRIES 18570 TRIMBLE COURT SPRING LAKE, MI 49456 U.S.A. TOLL-FREE: 1.877.609.3343 PH: 616.846.7939 FX: 616.846.1473 WWW.EDGEWATERINDUSTRIES.COM

## OVERVIEW

Pour-N-Restore® Composite Deck Spot Remover tackles staining from food grease, cooking oil, wax, algae, and more. The unique formulation is applied as a liquid and dries to a powder as it lifts and captures stains through Micro-Extraction Technology™. Just apply, let it dry, and sweep it up!

## FEATURES & BENEFITS

- Effectively removes staining from food grease, cooking oils, wine, wax, algae, and more.
- Biodegradable formulation utilizes natural plant-based solvents to clean safely and effectively.
- Dries from a liquid to a powder, capturing stains to make proper disposal easy.

- Contains a special absorbent that also works as a scouring agent when scrubbed.
- Does not discolor composite decking (neutral pH).
- Convenient 32oz. squeeze bottle packaging with flip-cap for accurate dispensing of product.
- Pleasant scent.

## APPLICATIONS

- Ideal for use on composite decks that have been stained by food grease, cooking oils, wine, wax, algae, and more.

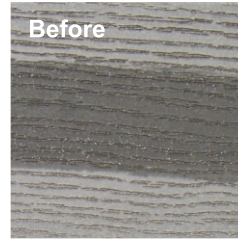

## DIRECTIONS

Always test a small area before use. SHAKE WELL. Do not use on wet surfaces. For best performance, use above 40°F (4°C) and provide maximum ventilation. 1. Scrape off buildup and sweep area. 2. Apply to stain, extending one inch beyond perimeter. 3. Allow 3-8 hours to dry completely to powder (may be longer depending on temperature, humidity, and ventilation). 4. Sweep up the powder and, if desired, rinse with a strong stream of water and scrub to remove residual powder. 5. If stain remains, reapply, scrub with stiff-bristled brush, and repeat steps 3 and 4.

## CLEANING TIPS

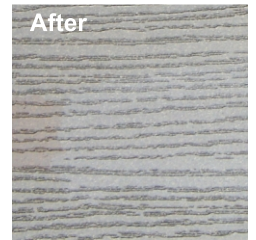

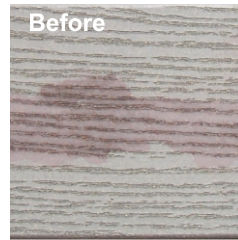

On embedded stains, it is helpful to apply a thick coating for best results. On organic surface stains like algae, maximize performance and coverage by scrubbing Pour-N-Restore® into the surface with a stiff-bristled brush, then allow to dry. In hot climates, apply when deck is shaded, or in evening hours to allow sufficient working time. Previous use of other cleaners can inhibit performance.

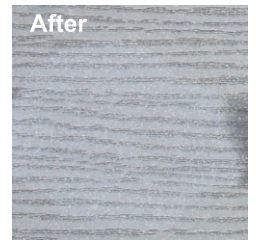

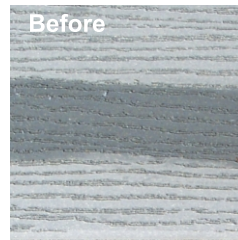

COOKING OIL

MOTOR OIL

RED WINE

TORCH OIL

## SATISFACTION GUARANTEED

We guarantee 100% satisfaction when Pour-N-Restore® is used as directed. Liability limited to replacement of product or refund of purchase price upon return of unused portion with proof of purchase. Prior use of other cleaners will void satisfaction guarantee.
